## Itinerary

### DAY 1 Sunday May 21, 2017

Today we depart Australia on our flight to London.

### DAY 2 Monday May 22, 2017

On arrival at Heathrow airport, we are met by our first-class coach to travel north to visit Pettifer's Garden in Oxfordshire. The 18 year-old garden was designed by the Hon. Mrs Gina Price and has developed into a plantsman's garden. Paths feature elegant patterns and the borders are deep and varied. The Botticelli meadow at the bottom of the garden, alongside two crocus lawns, looks beautiful in Spring. After the garden visit we will stop for lunch before continuing to Stratford-upon-Avon where the rest of the day will be free. Deryn Thorpe will suggest restaurants for dinner.

### DAY 3 Tuesday May 23, 2017

Today we will visit two of the finest gardens in England. We first visit Hidcote, in Gloucestershire, north Cotswolds, one of the most notable gardens in the world. It was created by self-taught gardener, Lawrence Johnson in the early part of the 20th century with a fabulous design and great planting skills, using mainly 19th-century plant varieties in outstanding herbaceous borders. After lunch at leisure at Hidcote, we travel the short distance to Kiftsgate Court. This garden is full of colour and scent. The magnificent old species of roses are the glory of the garden. We return to Stratford-upon-Avon, where we will enjoy an included welcome dinner, so that group members can get to know each other. D

### DAY 4 Wednesday May 24, 2017

We travel south to the beautiful Cotswolds today. We first visit Bourton House, an award winning three acre garden surrounding a fine 18th-century Manor House. The geometric potager is a particular delight. Well-kept lawns, quiet gardens, a knot garden and Cotswold stone walls are set off by herbaceous borders. In the afternoon we visit The Temple Guiting Manor, near Stowe on the Wold, where there is a major new garden designed by award winning landscape designer Jinny Blom. Luxuriant planting provides this garden with a richly romantic atmosphere. A simple box parterre contrasts with the lavish planting of the long borders.

### DAY 5 Thursday May 25, 2017

Today we travel by coach to London for three nights. To begin our exploration of this fascinating and historic city, we meet our London Blue Badge guide for a comprehensive tour of the main sights. We take in Buckingham Palace, Whitehall, Trafalgar Square, The Strand, St Paul's Cathedral and the Tower of London. The rest of the afternoon is at leisure to shop or sightsee amidst the bustle of the city. Deryn will meet those wishing to dine with the group in the lobby to go to a nearby restaurant for dinner or you may like to take in a show in London's theatre district.

### DAY 6 Friday May 26, 2017

The highlight of our time in London is our escorted visit with Deryn Thorpe to the famous Chelsea Flower Show. It is the summer event in the English horticultural calendar and boasts about 20 amazing landscaped gardens built by prominent landscapers and more than 500 displays featuring the best flowers, plants and trees and many new introductions. For gardeners, it is the experience of a lifetime and a highlight of our garden tour and Deryn, who has been to the show many times, will ensure that you are able to make the most of the experience.
